

TPG celebrates its first anniversary with FREE EXTRA 50GB data upgrades to its mobile plans

The 100GB for \$10 and 130GB for \$18 SIM-only plans will be available for a limited time period only. New users can enjoy the plans immediately and current users will be upgraded upon renewal of their subscriptions.

A promotional banner for TPG Telecom's 1st anniversary. The background is split into yellow and purple sections. On the left, it says 'SIMPLY THE BEST' and 'SIM ONLY PLAN' above a large '130GB for \$18'. In the center is a smiling woman in a blue dress holding a phone. On the right, a banner says 'TPG IS 1' with a large '1'. Below this, it lists benefits: '300 IDD minutes to 21 countries' (with flags of China, India, USA, etc.) and '500 Local Call minutes and more'.

Singapore, 13 April 2021 – TPG, Singapore’s fourth telco, is celebrating its first anniversary since its commercial launch on 31st March 2020. As part of its celebrations, TPG will be providing free 50GB additional data to its SIM-only and Prepaid plans for a promotional period.

From 10 April 2021 to 11 July 2021, all users can subscribe to:

- 100GB for \$10 – upgraded from the standard 50GB for \$10 SIM-only and Prepaid plans
- 130GB for \$18 – upgraded from the standard 80GB for \$18 SIM-only plan

New users who subscribe to the plans within the period will get the additional 50GB data bonus immediately. Current users will be able to enjoy these plans upon renewing their subscription.

Richard Tan, CEO of TPG Telecom Pte. Ltd. said: “As we celebrate our first anniversary in Singapore, we are grateful for our customers’ support and feedback. This promotion is our way of thanking our customers. We have in recent past increased our mobile offerings, opened five service centres and have over 100 sales points spread across Singapore to cater to our increasing customer base. We will continue to listen to our customers so as to provide better value and service to them.”

TPG milestones

When TPG launched its commercial service in Singapore on 31st March 2020, it only had one mobile plan and 1 service centre where customers can activate their SIM-cards instantly. Today, TPG has three SIM-only and 1 Prepaid plans, over 100 sales points conveniently located islandwide, and five service centres to accommodate its increasing number of users across Singapore.

- **March 2020:** Started commercial service in Singapore with [50GB for \\$10](#) SIM-only plan
